

## **Announcements for Friday, May 25th, 2018**

**Today's word of the day is yaw--twist or oscillate about a vertical axis.**

Congratulations to Khalid Stamps, Billy Rodgers, Justin Johnson, and Zaimar Burnett, who earned the right to compete at the state track and field competition. They are now one of the 27 elite competitors in their events for the state of Indiana.

Congratulations to the newly-inducted members of the newly-chartered MHS Thespian troupe #2077. These students have been recognized for their involvement and excellence in the theatre arts: Miller Betz, Kaleb Evans, Liz Kelsay, Maria Porter, Sophia Porter, Casey Reaves, Chloe Vermilion, Jonathan Walts, and Taleia Wells.

Those that are interested in volleyball next year, the summer schedule is completed, so you can pick up a copy from Coach Hinshaw in Room 1-02 during periods 1-3.

Students, please return all textbooks to your teachers. Check your house and car for any books that need returned. You will be billed for missing books. Please clean out your locker, too. Items left in lockers will be donated to the mission.

Students can check their grades after our last teacher day, May 29th, to see if they will need to register for summer school. Please see your counselor to register for summer school if you have not done so already.

Summer school will begin Monday, June 4th, and will end Thursday, June 21st. If you are taking a live taught Algebra 1 class or English 10 class, you will need to be here every day. If you are taking a Plato class, you will need to be here until you have finished the Plato class. Information will be given out to you the first day of summer school in the school cafeteria. Almost all students who have registered so far are taking a class in the morning and afternoon and will be potentially earning two credits. Your 2018-19 schedule will be adjusted after you finish the summer courses.

**Have a blessed, busy, safe, happy, GIANT summer!**
