Educator of the Month

Mrs. Sisson was nominated as our educator of the month. This is her 30th year teaching with Marion Community Schools. It is her 5th year at Riverview Elementary. She attended Indiana University where she obtained her Bachelor's and Ball State University where she obtained her Master's. She majored in Elementary Education. Her favorite thing about teaching at Riverview is the staff. Her favorite thing about teaching is when a student finally gets it and you see the light bulb come on. She says she appreciates how supportive the staff is at Riverview.

Jar Wars

Please help us raise money for our Riverview Families needing assistance with the holidays. PASS will be hosting jar wars between classrooms and all proceeds will benefit this cause. In the competition, each classroom will have a jar. Any coins you donate will be counted

as positive money for your child's class. You can send in paper money to sabotage another class. Paper money counts as negative money. The classroom with the most positive money wins the jar wars and will receive a pizza party. We appreciate any donations.

GIVING THANKS

We are so thankful for all of our students and families at Riverview Elementary. We want to take this time to thank each of you for investing in your child's education and school experience. During Thanksgiving Break on November 22nd-24th, please take some time with your family to discuss things you are thankful for. This month is also Veterans Day. We would like to thank all of our veterans for their time and sacrifice to our country. We invite any Riverview students' family members, who are veterans, to our program on November 10th at 7:45 am.
