Important Information for Parents that Pick-up Students at Dismissal

Riverview Elementary is asking that cars do not start lining up until 1:45pm. We would like to provide easy access to our visitors that are entering, exiting, parking and coming in. We also need easy access for emergency vehicles and deliveries that may have to come. The line may start forming at 1:45pm at the designated spot. At 2:00pm, a Riverview staff member will direct the line forward. Please also remember: **do not block driveways** of our neighboring houses. Police could ticket you if you are blocking their driveways. Dismissal is at 2:15pm. We successfully load 150+ cars in 15 minutes! Please be patient with us. Your cooperation is appreciated!

How to get involved...

If you would like to volunteer at Riverview, you will need to fill out a volunteer application from the office. This includes volunteering in a classroom, for a field trip, and anytime you are with children at Riverview.

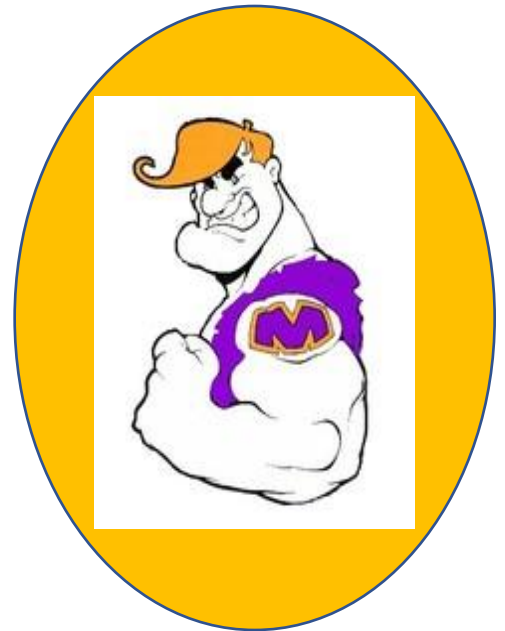

We need parents for a Parent Advisory Council. This council will meet 2-3 times during the year. This Parent Advisory Council will help with our School Improvement Plan, and help make decisions for our students. If interested, contact our office.

PASS Parents Allies for Student Success (PTO) – We need parents to help with PASS. PASS meets the 2nd Tuesday at 5:30PM of each month. Help make decisions and plan fun events for our students and teachers.

Car Arrival & Dismissal

During arrival, please say all of your 'good-byes' before pulling up to the drop-off zone. We do our best to keep the car line moving. Students should be ready to exit the car as soon as the car comes to a complete stop.

Please use your turn signals as you are entering and exiting the parking lot.

Fruit & Vegetable Program is Back!

We are excited to share that our Fruit & Vegetable program is in place for the 2nd year! Our students will be getting a fruit or vegetable snack each day. Students do not have to eat the fruit/vegetable snack. The healthy snack is a great way for our students to try new fruits and vegetables!
