UNITY IN MISSION!

Our Mission is to Joyfully Serve All the Children of All the People

Our teachers, staff and administrators choose to specifically serve Marion Community Schools because we embrace the opportunity to serve a diverse population of students and families. We love this mission, and we embrace diversity as our strength. Loyalty to mission is a choice *and* we joyfully choose to serve this mission!

We strive to create a learning environment of opportunity where there is something for every student in Marion Community Schools. This is our mission that through grace, truth and teamwork we must help each other increasingly align. We find unity through aligning with and serving our mission!

We are thankful for all the children, all the families, and all the people that we are privileged to serve here in the wonderfully diverse community of Marion Community Schools.

Respectfully,

Dr. Brad Lindsay, Superintendent of Marion Community Schools
