2. You will need to repeat step 3 - 6 for each student you are registering

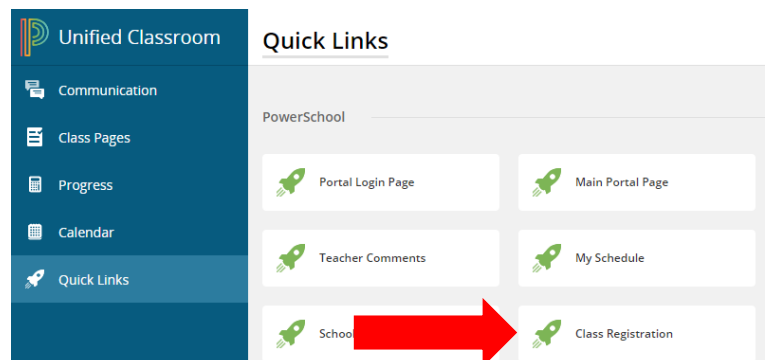

3. From the UC Dashboard, select the student you are going to register from the Student Selector

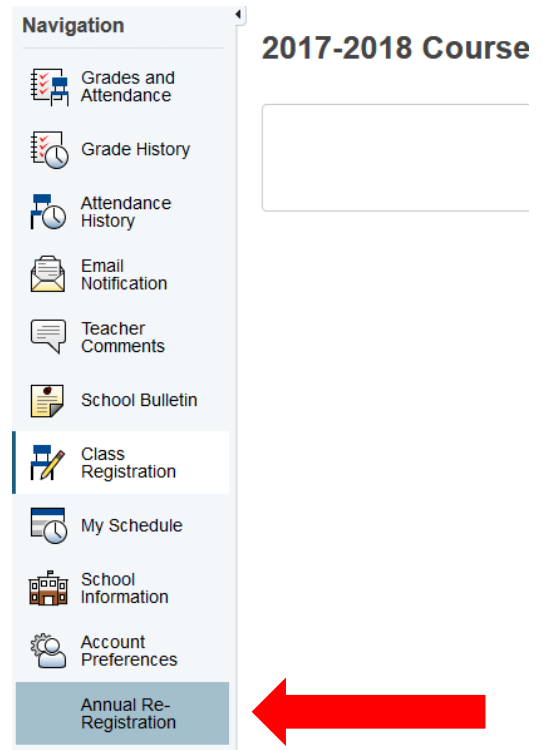

4. Click on **Quick Links** from the vertical menu on the left side of the UC Dashboard.

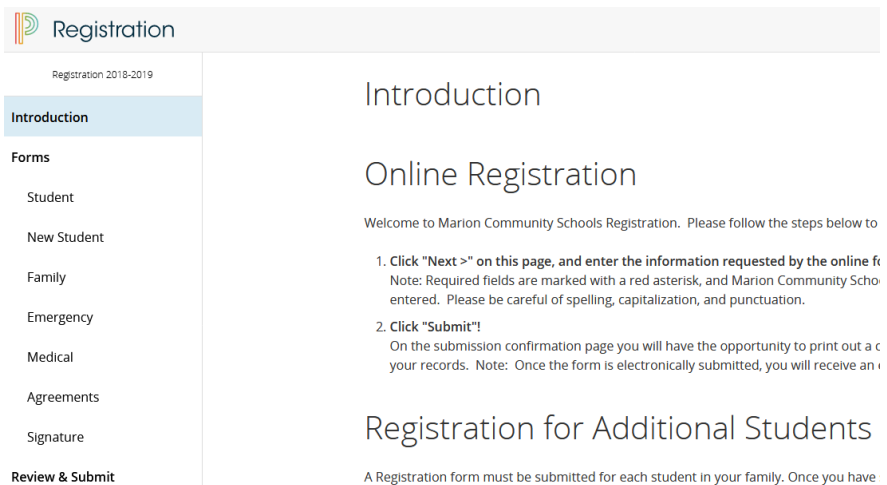

5. From the **Quick Links** page, click on the **Class Registration** button from the list shown.

6. Click on the “Annual Re-Registration” button from the vertical menu on the left side of the Parent Portal page as show below.

7. By following the three links listed above, you will arrive at the **PS Registration** Introduction page show below. You will complete all of the registration pages listed under **Forms** to register your student for the upcoming school year.

If you have any issues creating your account or completing the registration process, please contact your student’s school to receive support.
