

Parents: Creating a new Unified Classroom (UC) PowerSchool ID with an existing PowerSchool Parent Portal account

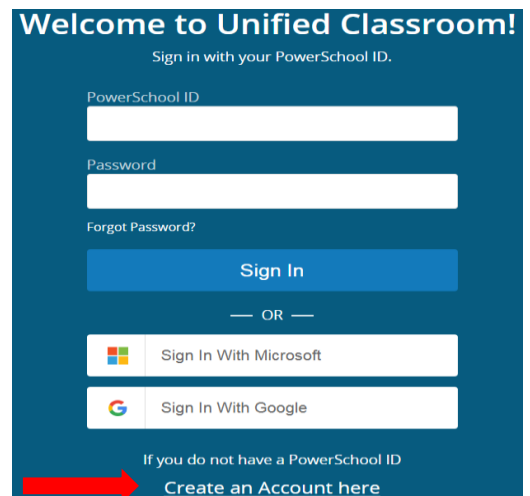

1. Visit <https://mcs.powerschool.com/public/> to begin creating your account
2. Click on the “Parent Sign In” button

This is a one-time process that will link your existing PowerSchool login with the new Unified Classroom PowerSchool ID

3. Click the “Create an Account here” button

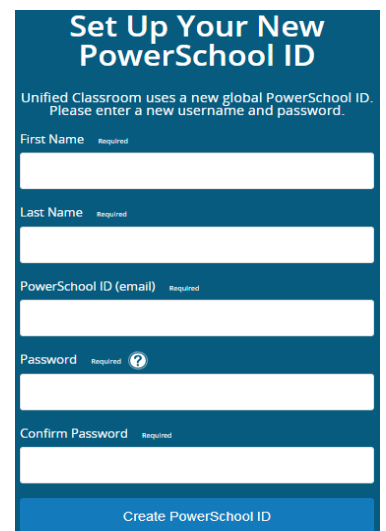

This will create a UC PowerSchool ID that will be used to access the new Unified Classroom (UC) Parent Portal.

4. Set up your new UC PowerSchool ID by entering the information in each field and then click the “Create PowerSchool ID” button

Passwords must be between 8 and 64 characters with no more than three repeating characters. Passwords do not expire.

Please write your new PowerSchool ID and Password down and keep in a safe place for future reference.

5. Click the “I Have a Username and Password in My District’s PowerSchool Parent Portal” button to sign into your current MCS PowerSchool Parent Portal account

This will connect your new UC PowerSchool ID with your existing MCS PowerSchool Parent Portal account

6. Enter your existing MCS PowerSchool Parent Portal username and password then click “Next”

This will link your new UC PowerSchool ID account to student(s) linked to the existing MCS PowerSchool Parent Portal account.

By completing the steps above, you will create your new UC PowerSchool ID. The PowerSchool ID and password you created during step 4 will be how you now sign into the new Unified Classroom PowerSchool Parent Portal from the following site:

<https://classroom.powerschool.com/>

NOTE: Please be sure to update your PowerSchool Parent Portal bookmark to reflect the above address
